

We Don't Make Helmets. We Make Them Safer.

## **New Snell SA2020 Standard for Auto Racing**

SA2020 improves impact protection over SA2015.

### **Effective October 1, 2020**

Helmets with SA2020 label inside are available for sale and advertisement.

### **Newly certified helmets list: [smf.org/cert](http://smf.org/cert)**

SA2020 helmet list will be on Snell website October 1, 2020.

### **Check racing organization rules**

Auto racing authorities such as NASCAR, INDY, NHRA, and other grassroots racing groups usually change their rulebook for helmet usage when Snell helmet standard is updated. Please check your own club and race rulebook for safety equipment inspection details.
